

Patient-Centered Partnerships

Empowering Post-Acute Facilities to Best Support Patients

The patient consumer revolution is here. With the rise of value-based reimbursements, and an aging and more informed patient population, the pressure to deliver post-acute personalized care, while meeting compliance requirements is daunting. Couple this challenge with the patient medication responsibility that increases staff preparedness needs along with technology advances, and post-acute provider's obligations expand exponentially.

Skilled Nursing Facilities need a collaborative clinical partner to help deliver high quality, coordinated care. With TwelveStone Health Partners, facilities have access to this comprehensive suite of services including

Clinical Team

TwelveStone provides a full licensed and accredited Interdisciplinary Team, including Pharmacists, Nurses, Dieticians and Respiratory Therapists. The team serves as an extension of your facility providing ongoing training and education to ensure safety compliance and documentation readiness, saving your facility both time and resources.
